MOLTON BROWN
Modern Day Luxury from London

Famous in London for creating tailored solution to modern-day living, Molton Brown is synonymous with a luxury lifestyle. The Molton Brown team of natural scientists combine plant and marine elements to enhance the health of your body, mind and spirit.

AHAVA
Dermud
Moisture and Minerals from the Dead Sea

The latest breakthrough from Ahava, Dermud has been proven to improve the moisture level of skin up to 83%. With Vitamin E to help slow the aging process, and nourishing minerals to heal and retexturize, these moisture-rich products help dry, flaky skin become smooth and supple.

CARTHUSIA
Timeless Scents of Capri

In 1380 the Carthusian monks made the first perfume of Capri purely by accident. Rediscovered in 1948, this recipe is now produced in limited quantities, with the same ancient techniques and great care. Both the men's and women's fragrances capture the timeless essence of Capri.
