

CELLULAR DETOX

Clear out those harmful toxins and make way for a healthier you with our extensive Cellular Detox collection. Think of your skin as a filter for your system's excess baggage.

Earth Therapeutics' Cellular Detox line helps clear out the filter with healthy and scrumptious exfoliators plucked

straight from Mother Nature's garden. Apricot seeds and loofah bits, pumice and sisal all help buff away dull, flaky skin to keep the engine

primed. What's revealed is new, glowing skin, smooth and radiant - not to mention a perfectly primed motor for your healthy system. Need more reasons to get the glow?

Our formulas include blends of pure botanical essences to stimulate your senses while nourishing your skin.

The luscious flavors, including oatmeal, honey, kiwi and peach sound almost good enough to eat. So indulge in a detox day guilt free.
