

**GREEN TEA**

This refreshing line suits tub time to a tea. An effective herbal healer, green tea contains high concentrations of polyphenols for superb anti-oxidant protection, waging war against free radicals to keep aging at bay. Further, enriching the anti-oxidant brew, we've added the powerful vitamins C and E. But the formulas are soothing for all their strength, with calming aloe vera and anti-inflammatory agents for gentle treatment of all types of skin. A refreshing herbal scent and a variety of formulas complete the recipe for a rejuvenating experience. With indulgent accessories and an aroma candle to set the mood, why wait for afternoon to have your tea?
